Foster Memorial

Update

The Foster Sensei Celebration of Life is open to anyone who practiced Yoshukai Karate or are friends.

The event will be at Heathcote Gardens in Fort Pierce, Florida, Saturday the 17th of April, 2021. The grounds will be open for the event at 1:00 pm with the memorial service at 2:00 pm. The botanical gardens are serene with a beautiful bonsai garden. I would encourage guests to arrive in time to enjoy the gardens before the ceremony. Should anyone wish to speak at the ceremony, we would ask that it be brief; an opportunity to speak at length will be provided at the reception. We are planning on streaming the service, and will provide more information about that when it is available.

After the ceremony there will be a reception from 4:00 to 7:00pm for the family and guests at The Heritage Center in Vero Beach, Fl. Refreshments and cocktails will be served. This space will provide an opportunity for us to reminisce about Sensei Foster and will allow those who do not want to speak at the service to say a few words. Several people have asked about making donations; if you are interested in making a donation for the service, flowers or to Yoshukai please contact me directly at mterry@atlantic.net.

Because of the current covid situation, the facilities requires a firm number of participants. If you have not notified us yet of your plans to attend, please do so as soon as possible. The dress code will be business casual; please no flip flops, tee shirts or shorts.
